

Office of the County Executive

St. Charles County

Steve Ehlmann
County Executive

June 14, 2010

Mr. Kevin Keith, P.E.
Interim Director
Missouri Department of Transportation
P.O. Box 270
Jefferson City, MO 65102

Dear Mr. Keith:

I am writing to thank you for the Department's expedited action, which will allow for improvements on Missouri Routes D, DD, and on Route 94.

The fatalities endured by families residing in St. Charles County required urgent action on everyone's part. I am grateful for your focus on this urgent need.

I understand that necessary and required engineering work continues, while in the meantime, an agreement for St. Charles County Council consideration and adoption has been reviewed by a MoDOT "Agreement Committee," and will be provided to my office for consideration shortly. I anticipate that the Council will take quick action, and thereafter, I will immediately sign and forward for Missouri Highways and Transportation Commission consideration.

Thanks again for your kind attention to this urgent roadway safety need, and for your hard work to identify limited resources allowing for improvements to proceed in the not too distant future.

Sincerely,

Steve Ehlmann
St. Charles County Executive
